

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

SB 2814 – HB 2894

March 10, 2010

**SUMMARY OF AMENDMENT (014999):** Deletes the language of the original bill. Authorizes Goodlettsville to enter into a contract with local water utility districts to add the cost of garbage and refuse collection and disposal services to a customer's water bill and to enforce the collection of charges in any manner authorized by law.

FISCAL IMPACT OF ORIGINAL BILL:

Increase Local Revenue – Exceeds \$10,000/Permissive

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Decrease Local Expenditures – Less than \$10,000/Permissive

Assumptions applied to amendment:

- According to the Goodlettsville Public Works Department, water utility districts are already billing for garbage collection services.
- According to the Goodlettsville City Manager, authorizing additional methods of collection is estimated to decrease local expenditures in an amount less than \$10,000. Under current law, the city is limited to pursuing collections through the court system. This legislation authorizes additional collection tools that are less expensive than court filings.
